LATICRETE Appoints Jay Owens National Accounts Manager, Daltilo

For Immediate Release: LATICRETE, a global leader in the manufacturing of innovative systems for the installation of ceramic tile and stone, has appointed James “Jay” Owens to the position of National Accounts Manager, Daltilo. In his new position, Owens will work with Daltilo on a national level to support LATICRETE sales at all Daltilo locations by initiating national and regional marketing programs and addressing the individual needs of all Daltilo distribution points across the US.

Owens earned his MBA at Wake Forest University and comes to LATICRETE with over five years of experience on both the distribution and contracting side of the tile and stone industry. Owens previously worked for Lomax Tile & Marble, Inc as a project manager and estimator, working closely with architects on product specifications for tile and stone installation materials. Prior to that experience, Owens participated in Mohawk Industries – Daltilo Division Management Training Program, gaining expertise in all aspects of managing a tile and stone distribution warehouse.

LATICRETE is a global leader in the manufacturing of tile and stone installation systems, known and trusted for industry leading innovation and expertise. For in-depth technical support and answers to your installation or application questions call toll free: (800) 243-4788 ext 235, or outside the USA: (203) 393-0010, ext 235,.
